

Explore Berlin like a local

Welcome to Berlin, where we say “Juten Tach” to welcome people. My name is _____ and I am your host. I want you to experience Berlin the way I do, and that’s why I have created this little guide for you - filled with my best tips and some advice that will help you live like local and be a good neighbor while you’re in town:

NEIGHBORS

If you ever meet our neighbors, do not hesitate to say hello -- or “Juten Tach”, like a true Berlin local.

ROLLING SUITCASES

Rolling suitcases can create a lot of noise on the cobblestones. Please be considerate of the noise you are causing in the neighborhood, especially late at night.

SAFETY

Always lock the apartment. Berlin has a lot of so called “Altbau” apartments, which means a lot of old buildings with old doors.

DUSTBINS

Don’t leave your litter behind when you explore the city. There are trash cans on the side of most pedestrian crossings.

Enjoy my wonderful city. I’m glad you are here and I hope you love it as much as I do.
